

GET READY FOR EL NIÑO

A prepared community is more resilient!

Do You Have a Plan?

- **Communication:** How will you contact friends and family when the power goes out, cell service is down and landlines fail?
- **Power & Charging:** How will you keep your phone charged during an extended power outage?
- **Local Updates:** How will you track local power outages and road conditions?
- **Cold Storage:** Do you have a way to keep medications refrigerated and/or food cold over several days without power?

JOIN YOUR NEIGHBORS TO PREPARE

Gather with your community to exchange ideas, share past experiences and build a practical personal and local game plan for the predicted heavy winter rainfall—including high water across roads, downed trees and long power outages.

- **WHEN:** Saturday, September 12th | 1:00 PM – 2:00 PM
- **WHERE:** Coast Community Library – Point Arena

Make a plan with your friends, neighbors, and family before the necessity arises.

We're always better together.
